Academics

Using outstanding curricula, NCA maintains high academic standards and its students consistently score well on standardized tests each year. Students are provided with a safe, secure Christian environment where they are encouraged to attain their full potential of moral and academic excellence. Students are taught a Christian worldview with the Word of God being integrated into each subject and class, along with a daily Bible class.

Arts

The motto for our Fine Arts Department is *Solo Deo Gloria* – to God alone be the glory. At Northside Christian Academy, the Fine Arts Department has as its mission to prepare students to use their gifts and talents for God's glory. Because each student is uniquely gifted by God in areas of creativity, we desire to challenge and equip them to be their best for Him. Students have the opportunity in Fine Arts in the areas of drama, visual art, choir, ensemble, and band. Private lessons in voice, drama, piano, and band instruments are available through the Fine Arts Department.

Athletics

The motto for our Athletic Department is "Devoted to Christ, Dedicated to Excellence." At Northside Christian Academy, Athletics serve as an integral part of our foundational program of "training up" young people with a Biblical worldview. Athletics are not an end in of itself, but a means to an end. That end is producing young people that are not athletes who happen to be Christians, but rather Christians who just happen to be athletes. Students have the opportunity to participate on the school's interscholastic teams in football, volleyball, soccer, cheerleading, basketball, baseball, softball, track and field, and golf.
