Dismisses for
Christmas Break

Casual Day

Jan. 5

Classes Resume

Lunch Menu – We are going a little “greener”, and the lunch menu will be posted on our website for your convenience. We will no longer be sending it home in the Tuesday folder.

Christmas PTF – Come join us for a Christmas worship service led by our NCA students on December 10th at 6:30 p.m. in the auditorium. Students are to be in required uniforms for this performance. The girl’s uniform consists of plaid culotte/skort and red polo, and the boy’s uniform is khaki pants with a red polo. Also, be sure to get your spaghetti dinner tickets early!

Food for our troops – As you know, several of our classes have been collecting and sending goodies to our troops. Mrs. Fernandez’s class made a quilt to send to the soldiers with the help of Mrs. Ficklin. The quilt turned out beautiful, and I know the troops will appreciate it. Below is a picture of Mrs. Fernandez’s class with the quilt as well as some pictures from the troops enjoying the goodies!

And there was one special book...

The soldiers loved this special book made by one of our students, Amanda Goulart. The soldiers are definitely enjoying the food, but they LOVE the letters and cards the kids have made. Thank you for helping make the soldiers' holidays seem a little more like home.

Geography Bee – On Decmeber 3rd, we had our annual geography bee for 5th – 8th graders. Jenna Tassy and Jason Ballantyne represented our 5th grade classes. Out of 8 students Jenna Tassy placed 3rd! Great job Jenna, we are so proud of you!

3rd Place Winner

Math Fax #2– Last week we had our second Mathfax competition. Congratulations on a job well done! For our 5th graders, the results are as follows:

- 1st place - Cameron Seger
- 2nd place - Jason Ballantyne
- 3rd place - Alexander Pulley

Baby Jesus Offering – As a tradition at Northside, we collect a Baby Jesus Offering each year at Christmas time. The students are encouraged to wrap their money as a gift and bring it to school on December 18th to the Christmas chapel. We are very excited about our collection for this year because it will go to support one of our own missionaries, Coach Z! Coach Zabloski taught PE here at NCA last year as many of you will remember. He is planning to visit us for the Christmas chapel and share more about his work. He works with a sports mission ministry that goes around the world sharing the gospel via athletics. Won't you plan to support Coach Z this year?

Pajama Day – We are having pajama day on December 17th! Students are welcome to wear p.j.'s to school, but please remember the modesty policies listed in the handbook. This will be a fun day where the theme is bedtime routines and such. Students will write poems and do sleep related story problems etc. The cafeteria will be serving breakfast for that day in the hot lunch line. The students will also be paired up with older/younger reading buddies & watch a movie in the afternoon. Obviously we are going to have a very fun day and look forward to seeing all those Christmas p.j.'s!
