Welcome Back – We are so glad you all are back! We are off to a great start, and we are looking forward to a wonderful school year at NCA. God has blessed us with some awesome students, and we can't wait to see what God is going to do at Northside this year!

Car Tags – Please be sure to put your yellow car tags in the window each day as you pick up your student from car line. This is very helpful to the teachers as they are learning the cars, parents, and students that belong together.

Pick Up/Drop Off – Please help us with the safety of the students. When you are dropping off or picking up please have your child on the passenger side of the car. We do not want them loading or unloading in the traffic lane. If they are on the passenger side, they can enter/exit to the sidewalk. Also, please help us keep the flow of traffic by not making u-turns in the car line. Thank you in advance for your help with this. We want to keep our students as safe as possible.

Spirit Shirt Days – For those of you that purchased a spirit shirt, please refer to the dates on the orange form you filled out for wearing the shirt. There are specific days that students may wear jeans as well. We will also have the dates posted in the weekly TKN.

Medical Forms & Medicine – If you have a child that will need medicine during the school day, please fill out the medical card and return the card to the office. We must have a **doctor's signature** on file to administer any medication. If you want your child to have medicine at school, please supply the office with the appropriate medication with your child's name on it. We do not stock the various types of over the counter medicine.

Rec League Soccer - Hurry! Hurry! Hurry! Soccer Registration at Northside will end on Monday, August 23rd - that's one week away! Registration is open to both boys and girls, ages 4-12 and the cost is \$80. To register, go to www.northsidecharlotte.com
