ParentsWeb

Northside has chosen **RenWeb School Management Software** to manage our student database information. An important feature with RenWeb is the opportunity for you to be more involved in your child's academic progress – all via the Internet!

RenWeb ParentsWeb is a private and secure website that has been set up for Northside to allow you to see complete information specific to your child. You can view your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**: Go to Internet Explorer and type in the address www.renweb.com.

- Click on "ParentsWeb Login" in the red box.
- Log in as follows:
 1. Type in NCA-NC for your School ID.

2. Type in your email address that you provided to the school.

- Click "New Parent Login" if you have not logged into RenWeb before.
- You will be emailed a new password within 3 minutes (to the email address you typed in, which **must be the same email address that you provided to the school**).

3. Type in the password assigned.

- To access grades, click "Classrooms." This will bring up all classes in which your child is enrolled at the school.
- Click on "Homework Summary" or "Gradebook Summary" at the top of the column for each child.
- You can access other school information regarding your child on this site, as well as email the teachers directly!

Please feel free to contact the school office for the area in which your child is enrolled if you have any problems or

questions. We look forward to your participation. Together, we can continue to improve our children's academic development as well as communication between the school and the home.

Stay in Contact

At NCA it is easy to stay in contact with your child's teacher. Every teacher has an email account and a voice mail number. If you have questions or you just want to leave an encouraging comment, I recommend you use the teacher's email or voice mail.

Early Arrival

Please do not drop your young person off at the middle school before 7:15 a.m. All students need to be in the cafeteria between 7:15 a.m. and 7:50 a.m. Students should not be waiting outside the middle school at 7:50 a.m. or going to their locker, but must be in the cafeteria. There is no charge for this service; however, it is a must that students go to the

Matthew 16:24-26

...whoever loses his life for My sake shall find it...

What profit is it to a man if he gains the whole world and loses his soul?

cafeteria when arriving before 7:50 a.m. The best place to drop your child off is across from the band building.

Virtue

The character quality the middle school is learning this month is virtue. We are using the definitions from the Institute in Basic Life Principles. The students are learning that the definition for virtue is “The moral excellence and purity of spirit that radiate from my life as I obey God’s Word.” They are also memorizing the scripture verse II Peter 1:3, “According as His divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of Him that hath called us to glory and virtue.” All of the character qualities with their definitions and verses will be listed on our school website. Please encourage your young person to memorize the definition and verse. Students will have an opportunity in each class to write it for a bonus on a test or a quiz.

Goals

Now is the perfect time to help your young person set goals. It’s important to write them down. Putting words

on paper is a way to move from dreams to reality. Once your child has noted a goal (the steps he’ll take to reach it), suggest that he post it in a prominent place. This can encourage him to keep working until he reaches the goal. Take time to pray with him, asking God to help him reach his goal. Remember it is great to dream, but it amounts to nothing unless you work to reach those dreams!

Teacher Bio. and Course Information

If you were not able to attend the Parent/Student Orientation last Monday evening and would like the information packets that were handed out, please call (7 0 4 . 5 9 6 . 1 8 1 9) o r e m a i l (cynthia.long@northsidecharlotte.com) and we will send the information home with your child.

Help Classes

All of the middle school core classes offer before school or after school help class. Please see the schedule listed in the *Tuesday Knight News* for times and days.

Box Tops and Soup Labels

Thank you to the many parents who have already sent in soup labels and box tops. Please continue to send them in throughout the year. Remember the middle school goal is 20,000. In order to reach this goal we need everyone to help collect. The person who turns in the most will receive a \$25.00 gift card, and the small group who turns in the most will receive a pizza party.

Welcome New Students

The following students are new to our school this year. I trust you will make each one feel welcome.
